

## **VM Curbside Service Press Release**

Curbside pickup service has arrived at all three Village Markets! Curbside service will be offered: 9am - 6pm daily. This service is free of charge at this time.

There are 3 easy ways to place an order for curbside pickup. Texting, email and lastly by voice.

Placing an order is simple. If you choose to send an order by text or email please include the item name, item size, quantity that you would like as well as your name and phone number. If product substitutions are permitted, let us know if our staff member can contact you while shopping to offer alternative options.

For orders that are 20 items or less you are welcome to leave your list on our Curbside Service Voicemail. Again, we need the item name, item size, quantity that you would like as well as your name and phone number. If you would like to place your order with a staff member please leave a message with your name and phone number and we will call you as soon as possible.

Once your order has been placed we will call to confirm we have received it, as well as arrange payment by credit card and schedule a pickup time. We appreciate your patience and understanding as we work the kinks out of this new service. Thank you for being a loyal VM customer!
